Massachusetts Veterinary Medical Association Charities, Inc., a 501(c)3 not-for-profit corporation, is established as an MVMA Supporting Organization: the charitable corporation is organized and operated to further the charitable and educational purposes of the MVMA. Currently, MVMACI provides the fund-raising and administrative umbrella for programs involving stray animals in Massachusetts, MVMA's international projects, and emergency and disaster programs.

I would like to help the MVMA Charities carry out its work to benefit the animals and pet communities of Massachusetts and beyond with a tax-deductible donation and/or by participating in the International Programs available to veterinarians and non-veterinarians.

I am interested in participating in or learning more about: Project Samana Mazunte Turtle Project
